

Wireless Local Area Network Configuration Guide For Windows 10 (CPCE_Student)

**College of Professional and Continuing Education
The Hong Kong Polytechnic University**

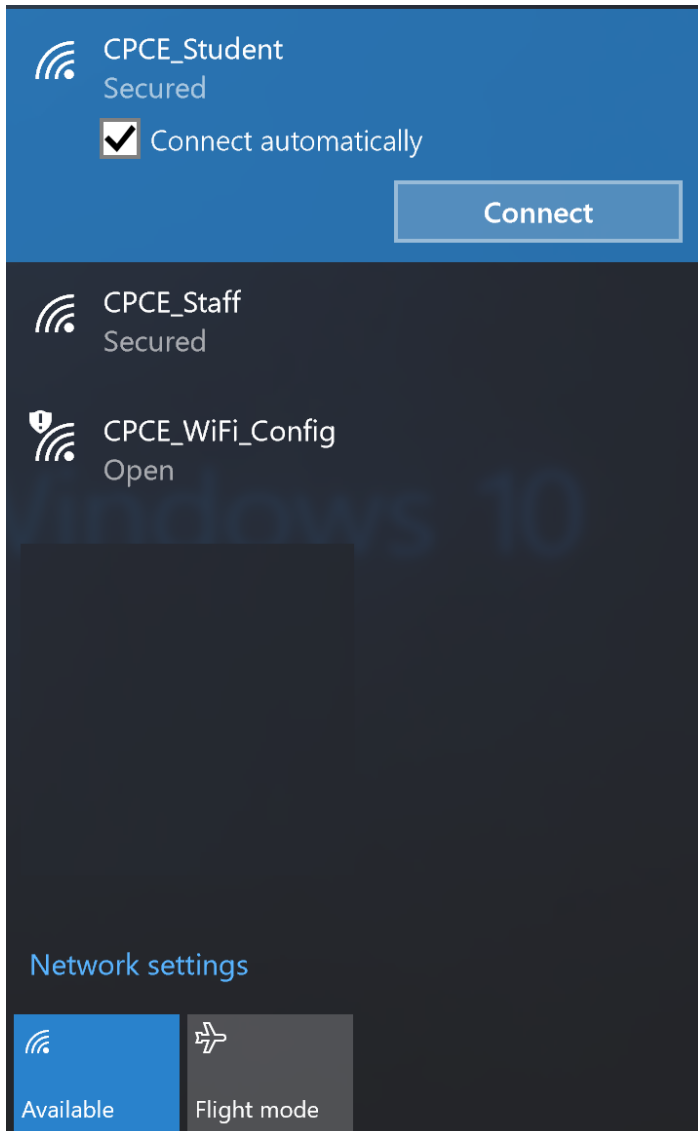

Version 1.2

IT Service Counter	Location	Tel no.
WK Campus	Room S203/S204	3746-0819

Email: itu.helpdesk@cpce-polyu.edu.hk

1. Click the “**Network**” icon on the taskbar

2.1. Select “**CPCE_Student**” and check “**Connect automatically**”

2.2. Click “**Connect**”

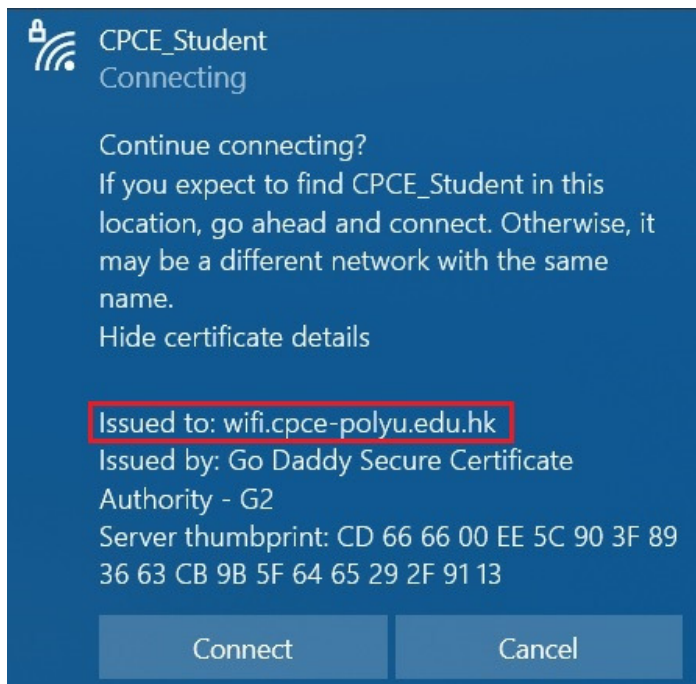

A Windows-style login dialog box with a blue background. At the top left is a Wi-Fi icon. The text 'CPCE_Student' and 'Secured' is displayed. Below this is the instruction 'Enter your username and password'. There are two input fields: 'Username' and 'Password'. At the bottom are two buttons: 'OK' and 'Cancel'.

3. Enter your account information (**StudentID & Password**) and select “**OK**”
The information should be same as the one for college portal

A Windows-style dialog box with a blue background. At the top left is a Wi-Fi icon. The text 'CPCE_Student' and 'Secured' is displayed. Below this is the text 'Continue connecting?' followed by a paragraph: 'If you expect to find CPCE_Student in this location, go ahead and connect. Otherwise, it may be a different network with the same name.' There is a link 'Show certificate details' below the paragraph. At the bottom are two buttons: 'Connect' and 'Cancel'.

4. Click “**Show certificate details**” to expand more information

5.1. Verify that if the certificate is issued to:

wifi.cpce-polyu.edu.hk

5.2. Click “**Connect**” only if correct certificate details are shown

--- End ---
